Sir:

Petitioner hereby disclaims, except as provided below, the terminal part of any patent granted on the above-captioned application, which would extend beyond the expiration date of U.S. Patent No. 6,591,335 filed on September 29, 2000. Petitioner hereby agrees that any patent so granted on the above-captioned application shall be enforceable only for and during such period that it and U.S. Patent No. 6,591,335 are commonly owned. This agreement runs with any patent granted on the above-captioned application and is binding upon the grantee, its successors, or assigns. The Petitioner is the sole assignee of the entire interest in the above-captioned application. The sole assignee, EMC Corporation, is owner of record of the entire right, title, and interest in the above-captioned U.S. patent application by virtue of an Assignment Recorded on April 2, 2001 at reel 011680, frame 0261.
